Additional references & qualification certificates available on request.

## PROFILE

Recently qualified **pipefitter** from Ireland, apprenticeship-trained in **industrial and mechanical-services pipework** — fabricating, welding, installing and testing piping systems from drawings on live job sites, including work abroad. Reliable, safety-focused and used to working under pressure to hit deadlines. Relocating to **Brisbane on a Working Holiday visa** and arranging formal recognition of my trade through Trades Recognition Australia. Keen to build a long-term career on the tools in the Australian construction, fabrication and resources sector.

## TRADE QUALIFICATION

### PIPEFITTING APPRENTICESHIP — IRELAND

**SOLAS national craft apprenticeship** (Advanced Craft Certificate standard, QQI Level 6). Four-year, time-served trade covering pipe fabrication, welding, installation, jointing and testing of industrial piping systems.

## EXPERIENCE

- Pipefitter (Apprentice → Qualified)** 2021 – 2026  
**MCM Engineering Ltd — Bagenalstown, Co. Carlow, Ireland**
  - Fabrication of pipework and pipe spools for industrial job sites
  - Tacking and welding pipework to fabrication drawings and specifications
  - Reading and working from isometric & fabrication drawings
  - On-site installation, fit-up and testing — including projects abroad
  - Working to tight deadlines within a team in a live workshop & site environment
- Plant & Machinery Operator / Agricultural Worker** 2017 – 2021  
**J S Bolger Racing & Sean Bance — Co. Kilkenny, Ireland**
  - Operating tractors and farm machinery; farm maintenance team
  - Silage and slurry work, general property maintenance
  - Demonstrates plant familiarity, mechanical aptitude and a strong work ethic
- General Labourer / Trade Assistant** 2018 – 2021  
**Trevor Duggan (Cabinet Maker) — Co. Kilkenny, Ireland**
  - Hands-on labouring, carpentry, fit-outs and site work
  - Comfortable with hand and power tools and finishing to a standard

## EDUCATION

**Leaving Certificate — Castlecomer Community School** 2015 – 2021  
Co. Kilkenny, Ireland. Followed by pipefitting apprenticeship training (RSTC Regional Skills & Training Centre, 2023–2026).

## INTERESTS

**Team sports** — Kilkenny senior rugby & St Martin's GAA (used to teamwork & discipline). Also enjoy the gym, skiing and motorsport.
